Job Opening - PC Manager

Job Brief - POLITICAL CONSULTING - JUNIOR ASSOCIATE/ASSOCIATE/SENIOR ASSOCIATE/MANAGER

We are looking for graduates/postgraduates from top tier institutes across India to join our team and work with us in the Andhra Pradesh/Maharashtra region, monitoring various political campaigns, conducting on-the-ground research, and gaining first-hand insights.

Responsibilities

1. You will be **in charge** of a specific geographical segment/constituency in Andhra Pradesh/Maharashtra
2. Handling/coordinating with various **demographic-focused teams**- Hiring, Nurturing, Planning, Delegating, Monitoring
3. Conducting **on-ground research**: In-depth Interviews (IDIs), Focus Group Discussions (FGDs), and Social Listening
4. Formulating reports that **summarise insights** gained from field visits, retrospective electoral data, leader comparative analysis, and so on
5. Monitoring all social media activities to **stay up to date** on recent political events and hone the skill of suggesting actionable responses to any development that occurs in your region
6. Build a **repository of information** over time which can be then used to identify voting patterns, trends, and issues
7. End-to-end **Campaign Management**
8. Maintain a **thorough communication** to internal and external stakeholders with regular updates related to work. These stakeholders could include your organization's leadership or political dignitaries.

Required Qualifications

1. Has knowledge/interest in politics (especially Andhra Politics/Maharashtra), including party dynamics, key players, and a nuanced grasp of major policy challenges in the respective region
2. Analytical thinking skills
3. Proficient written and oral communication with the ability to express thoughts logically and succinctly
4. Understanding of primary and secondary research
5. Demonstrated active listening skills, highly consultative and solutions-oriented
6. Ability to think big and to inspire passion in the team
7. Open to extensive traveling
8. You must possess a strong proclivity for action and the ability to deal with ambiguity

Who are we?

We are an elite team of India's most innovative professionals who use data, research, and design-based thinking to help politicians and political parties solve short and long-term campaign challenges. In the past, we have built wildly successful organizations, led large-scale campaigns in the most remote parts of India, and solved extremely difficult problems. We are currently one of India's fastest-growing startups in the field of Political Consulting, with plans to expand further into Governance Consulting.

Location: Anywhere in Andhra Pradesh/Maharshtra
