THE BIG RED GROUP

We Are Hiring

Community & Content Associate

We are looking for someone who is extremely motivated, dedicated, and passionate about education and entrepreneurship. It's a high-growth opportunity to be part of an early-stage startup, in an extremely creative role! If you're someone who loves creating meaningful experiences for students - keep reading.

Connect with us

The Big Red Group is an education firm that is curating courses on leadership, entrepreneurship, communication, business design, etc. for high school students - grades 8 - 12.

Our mission is to “future-proof” students before they enter the workforce. We want to solve the massive problem of our obsolete education system. We enable ALL kids to be ready for an uncertain, evolving future through our programs such as the Harvard YLC and the Ivy Early Entrepreneur program. We are excited to work relentlessly on this problem and tackle big challenges as we encounter them, including solving for scale and quality.

We are crafting modules for skills that no one else in the world has created before - messy emotions, taxes, critical thinking, global citizenship, world religion, and so on.

You will be part of the founding team of The Big Red Group and will take ownership of the product with us as a partner.
