# Campus Hiring - India

THE EDGE

Building Businesses.
Developing Careers.

# What is recruitment?

It's a process of finding the most suitable talent in the market for your company or client. The role requires you to map, 'headhunt', source, attract, screen, assess and shortlist the most suitable individuals and present them to the business / your client.

# Who should NOT be an Agency Recruiter?!

- ✓ Anyone who wants to do Human Resources, Operations or Administration as a career!
- ✓ Anyone who wants to just follow a process!
- ✓ Anyone who is not comfortable speaking to people on the phone, that they don't know and making it a valuable conversation!
- ✓ Anyone who is not comfortable with the idea of selling!
- ✓ Anyone who is not target orientated- financially or from an activity tracking basis!
- ✓ Anyone who is not comfortable pushing themselves out their comfort zone!

# Why Agency Recruitment as a Career?

- ✓ You get an opportunity to “change lives” by ‘Building Businesses’ and ‘Developing Careers’
- ✓ It is a rewarding career, both financially and professionally, where you are interacting with leaders of global organisations and have the chance to earn significant financial rewards, much earlier in your careers.
- ✓ The skill set and discipline you develop in recruitment is interchangeable into any sales career.
- ✓ You have the opportunity to develop your career internationally.
- ✓ Provides a platform to work with multiple clients across different industries.
- ✓ Enhances your decision-making skills, sales skills, attitude, multi-tasking.
- ✓ You develop as a specialist in your field and gain the recognition that comes with it.

# TYPICAL DAY OF A RECRUITER

Plan the structure of your next day, based on the developments during the day.

Start your day by running, doing Yoga, or meditating!

Prioritize open requisitions with your team

Submit sourced profiles to live mandates, update database with latest information

Call your network to get referrals for live mandates

Business Development calling to new and existing clients

Visit new or existing clients, sell The Edge and understand client job requirements

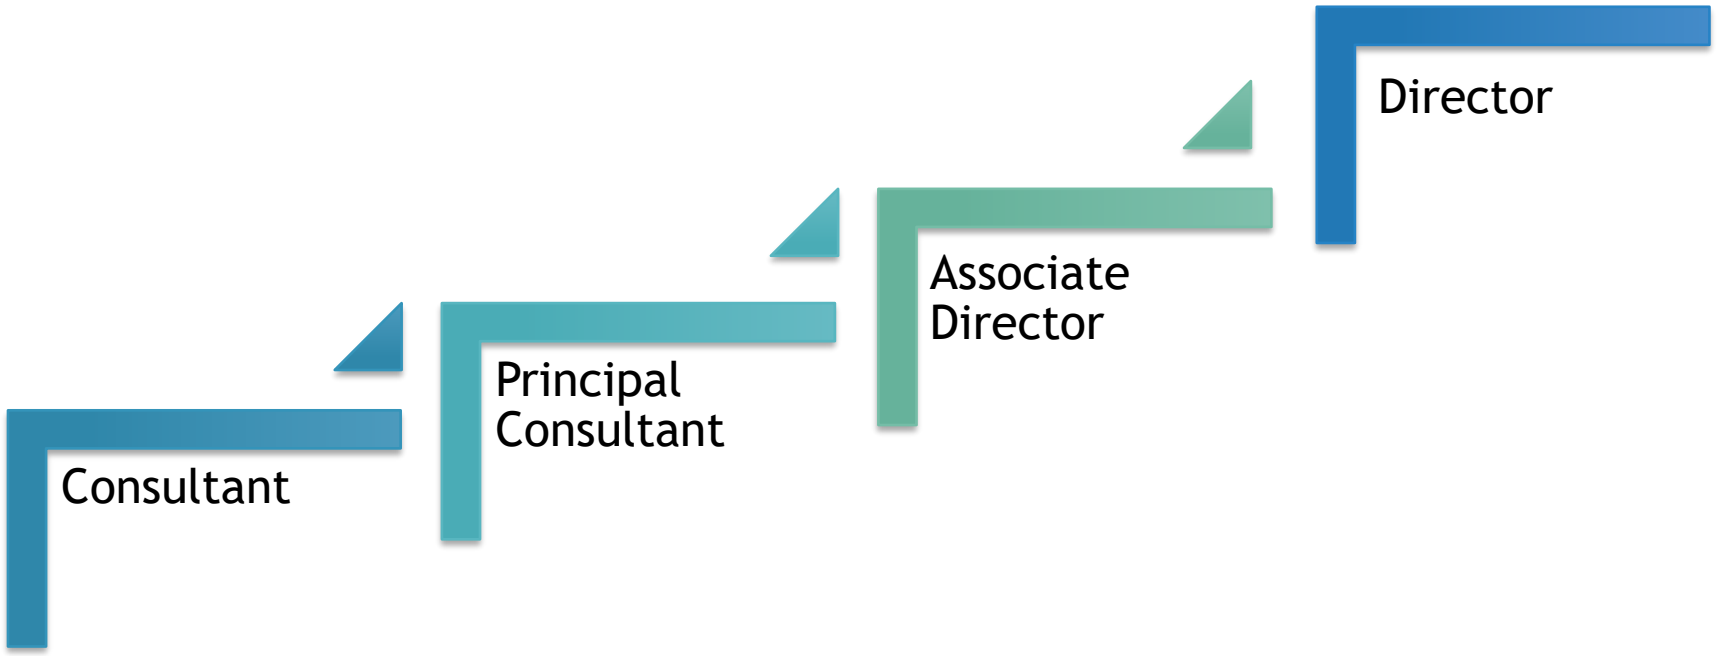

Sourcing , screening, scheduling interviews with client and candidates
