TRANSEARCH

YOUR WORLD PARTNER IN EXECUTIVE SEARCH

For over 35 years,
TRANSEARCH International has been the
leading alternative to commonplace executive search.

TRANSEARCH International has been a trusted advisor on many of the industry's most critical executive hiring decisions. Beyond market knowledge and the power of our networks, TRANSEARCH's differentiator is our unrivaled ability to assess culture fit and leadership chemistry, in real terms. Transparency is a major theme in our client partnerships, and we believe in a metrics-driven search process that affords a company the best chances of hiring success.

Our completion rate has been 100% in most years due to our experience, team approach and commitment to our clients.
