ubuntoo

Sustainability Research Analyst

LOCATION: India (Remote)

HOURS: Full time, flexible hours

WEBSITE: www.ubuntoo.com

DESCRIPTION

We are looking for a Sustainability Research Analyst who is experienced in researching and writing environmental articles, research papers, technical overviews, and diving deep into sustainability topics. On a typical day you might find yourself working on topics as diverse as coral reefs, plastic pollution, climate change, and sustainable agriculture. If you are comfortable in the digital world, and have a passion for sustainability, Ubuntoo is the right fit for you.

JOB RESPONSIBILITIES

- Understand specific sustainability briefs by our clients, research the issue and find solutions for them through secondary research, interviews with experts and innovators
- Find, curate, and write relevant content and post it in a timely manner on a web-based platform
- Keep the content on the site updated on a regular basis
- Gather high-level industry insights, prepare presentations, charts, and trend analyses
- Manage online communities of corporate users in a proprietary software platform by curating content, responding to requests, and sending periodic newsletters

REQUIREMENTS

- Undergraduate degree, preferably in Environmental Studies / Science
- Previous experience in content management or research position is a plus
- Strong writing and research skills.
- Self-starter and comfortable with tight deadlines.

COMPENSATION: ₹9 lakhs per annum CTC

TRAVEL: Occasional travel to the Bangalore HQ for meetings, and to client locations in India

TO APPLY: Write to hr@ubuntoo.com with your résumé, a brief cover note, and writing samples, mentioning the job in the subject line.

ABOUT UBUNTOO

Ubuntoo, the Environmental Solutions Platform, was launched in 2019 with a mission to enable collective intelligence to solve the planet's biggest challenges. We count some of the world's biggest brands, Fortune 500 companies, and global institutions among our customers, including Clorox, Henkel, Global Fund for Coral Reefs (UNDP), IUCN and many others.

Ubuntoo is an equal opportunity employer. We do not discriminate based on race, religion, color, national origin, gender, sexual orientation, age, marital status, veteran status, or disability status. Our team is diverse, comprising people from 4 continents with a wide range of backgrounds, operating out of our USA, Europe and India hubs.
