ROLE TITLE/ DESIGNATION

BU and Function/ Team: Project Management Office/ Transition

Role Band: BII

Designation: Management Trainee

JOB BRIEF

All migrations / transitions at WNS are supported by a central transitions team called the 'Global Project Management Office'. The principle role of this team is to manage, own and act as a custodian for all transitions that take place across the length and breadth of the organization for all geographies. Transitions commence once a new project has been signed-off and ends when all processes of that project have gone live, stabilized and all client deliverables, goals and metrics have been achieved

KEY EXPECTATIONS FROM THE ROLE

- Lead / manage end-to-end transitions – assume complete ownership of transition deliverables
- Thorough project planning – creation of detailed transition plans, RACI, identifying interlinkages/ dependencies and key risks
- Co-ordination and collaborative working with various functions – HR, training, technology, operations etc. to ensure timely execution of deliverables
- Ensure key transition documents like risk log, action log, change requests, governance/review presentations, minutes of meetings etc. are maintained and shared in a timely manner
- Adherence to the WNS transition framework
- Timely escalation of risks/issues/conflicts and any other areas that need support
