Digital Marketing Executive - JD

Job Title: Marketing Executive

Company: Wix Freaks

Location: Mumbai, India (Remote work option available)

Salary: ₹50,000 per month

About Wix Freaks:

Wix Freaks is a leading web design and development agency specializing in creating exceptional websites primarily on the Wix platform. With a strong focus on international clientele, we have successfully delivered projects for over 500+ clients across diverse industries. Our dedicated team of professionals is committed to delivering outstanding customer experiences through cutting-edge design and development solutions.

Job Description:

We are seeking a motivated and results-driven Marketing Executive to join our team at Wix Freaks. The ideal candidate should have a solid understanding of SEO and performance marketing, along with experience in Google Ads, LinkedIn Ads, email campaigns, and other digital marketing channels. As a Marketing Executive, you will be responsible for driving brand awareness and generating leads for our international clients.

Responsibilities:

- Develop and implement digital marketing strategies to drive website traffic, generate leads, and increase brand awareness.
- Optimize website content and landing pages for search engine optimization (SEO) to improve organic search rankings.
- Manage and optimize Google Ads, LinkedIn Ads, and other PPC campaigns to achieve performance marketing goals.
- Develop, execute, and analyze email marketing campaigns to nurture leads and engage existing clients.
- Monitor and analyze campaign performance using Google Analytics and other relevant tools to identify areas for improvement and implement data-driven strategies.
- Collaborate with the design and development team to create visually appealing and effective marketing materials.
- Stay up-to-date with the latest digital marketing trends, best practices, and technologies to ensure our marketing efforts remain competitive and effective.
- Assist in the creation and management of social media content and strategies to increase engagement and grow our online presence.

Requirements:

- 1-3 years of experience in digital marketing, with a focus on SEO and performance marketing.

- Hands-on experience with Google Ads, LinkedIn Ads, and other PPC platforms.
- Strong understanding of SEO best practices and tools.
- Experience in creating and managing email marketing campaigns.
- Proficiency in using Google Analytics and other marketing performance analysis tools.
- Strong communication skills, both written and verbal, with the ability to present marketing data and insights clearly.
- Ability to work in a fast-paced, collaborative team environment and manage multiple projects simultaneously.
- A proactive and results-driven mindset, with a passion for staying up-to-date with the latest digital marketing trends.

At Wix Freaks, we offer:

- A competitive salary package and opportunities for growth and development.
- The chance to work with a diverse and talented team in a dynamic and supportive work environment.
- Exposure to international clients, enhancing your global networking and learning opportunities.
- A culture that values creativity, collaboration, and innovation.

If you are passionate about digital marketing and want to make a significant impact at a growing company with a strong international presence, apply now to join the Wix Freaks team!

To apply, please submit your resume and cover letter to [your email address]. We look forward to reviewing your application.
