Associate Teacher at iTeach Schools

Overview

iTeach Schools runs free and high-impact secondary schools and a college-to-career program for the most disadvantaged students of Pune and PCMC. Like many Indian cities, both of these public education systems only go up to Grade VII, leading to the poorest students being unable to finish their schooling.In 2023, with a staff of 250 members across nine schools, we will serve 2800 students and 2000+ alumni - giving students a fighting chance at college, career, and citizenship. We aim to grow to 30 schools and 10,000 students over the next five years.

Take a peek into our world here.

Key Responsibilities:

A teacher at iTeach Schools wears multiple hats to ensure an excellent education for their students. The three different parts of the role are:

A - Teaching your subject (60% time)

- Teach one or two subjects of your expertise to your class
- Conduct regular tests and assessments to monitor learning and give feedback to students
- Build a positive and strong school culture with a focus on learning and joy
- Collaborate with parents of the students through regular meetings to ensure their active involvement

B - Mentoring students (20% time)

- Mentor nearly 15-20 students throughout the year
- Develop ways to ensure that these students have strong study habits, high attendance, and the drive to excel - share these plans with all teachers across the ecosystem

C - Help with school projects (20% time)

- Collaborate with Senior Teachers to implement school projects such as Hobby Clubs, Career Awareness, Annual Day, Sports Day, etc
- Use these opportunities to strengthen your leadership skills and mentor new teachers

Education & Experience:

- Required: Bachelor's Degree with strong academic and holistic performance
- Preferred: B Ed Degree
- Preferred: Teaching experience in a secondary grade for 1-2 years

Location: Pune
