Position: Brand Manager – Digit (www.digit.in)

Organization: 9.9 Group (Our Company | 9.9 Group (9dot9.in)

Profile Overview:

A brand manager is the custodian of the Brand. He /She is expected to play a dynamic role that involves interfacing and working with various departments (creative, product, sales, editorial, operations) in the organization. The brand manager also represents the brand and stands for the voice and image of the brand when engaging and interfacing with clients and partners.

Primary Responsibilities:

- Create brand-building activities to meet defined objectives and promote the brand Digit in targeted markets.
- Interact and engage with top consumer tech brands for campaign briefs and ideating/brainstorming sessions.
- Brand solutions for clients - ideate with the team and create pitch decks/proposals on the basis of briefs from clients for the sales team to take to market.
- Manage campaign deliveries by working with the product team and operations team. Report campaign performances across brand & business metrics.
- Demonstrating strong collaboration skills with internal teams, using resources to effectively and seamlessly support the business objectives.
- Monitor industry trends closely and innovate brand propositions as per market needs.
- Lead long-term brand initiatives and ensure smooth collaboration with key partners.
- Use insights on consumer behaviour via research and create marketable reports.

Required Qualifications & Skills:

- Experience of at least 1-4 years in marketing, branding, digital media or related field, with hands-on exposure in a similar role (Candidates from start-ups/tech industries will be preferred). Fresh graduates are welcome to apply if they can demonstrate similar abilities.
- Knowledge of audience, video, and contextual selling.
- Understanding of digital media landscape paid social targeting, execution, and measurement.
- Experience using Google Analytics, survey tools, and other social analytics tools.
- Ability to work with cross-functional teams. Effectively meet client commitments by working with teams across product, content, sales, and design.
- Excellent communication and interpersonal skills

- Proficient with Microsoft Word, Excel, and Powerpoint.
- Absolute ownership and accountability, desire to take charge and lead.
- Self-starter; able to thrive in a fast-paced, evolving, deadline-driven and challenging environment.
- Demonstrated interest in technology/gadgets/gaming would be an added advantage.
