

ALOHOMORA
unlocking minds

A holistic, at-scale career support program for Govt schools

Alohomora Education Foundation

OUR MISSION

Institutionalise a structured ***Career Guidance curriculum*** *in schooling system to enable every student to make informed career choices for a purposeful school-to-career transition.*

BODY OF WORK

- **Direct implementation model:** CareerShala, facilitated by local community youth. ~4000 students in 2023-24
- **District Wide project:** Project Pratibha Manthan, Jhajjar, Haryana ~177 schools, 14000+ students, CareerShala, Haridwar, Uttarakhand - 40 schools, 4000 students
- **State Wide Projects:** EVGB, Delhi - 1000 schools, 7.5 lakh students
- **Upcoming Projects:** We have successfully signed an MoU with the government of Madhya Pradesh in 3 districts - Bhopal, Indore and Dewas from July 2024.

WHAT WE DO?

Empowering teachers to provide career support to students in 9th-12th Grades

---

1

Facilitator training on the program content & pedagogy

- Participate in setting up our program and strategically work on to train teachers to impact students lives.

2

For effective implementation of program - liaison with state/dist administration

- Updating all key stakeholders + involvement

3

Monitoring & Evaluation

- Ongoing monitoring & teacher feedback & Learning assessment post program and during the program

OUR TEAM

We are an energetic and passionate mix of team members with diverse backgrounds - TFI, Gandhi, Azim Premji, ISDM, TISS and Alumni of our program etc

Our roles are independent in it’s design - enabling ownership and leadership - and scope of significant contribution in the impact we create!

OUR CULTURE

- **Authenticity :** We create a safe space for team members to share their emotions, thoughts and challenges with high authenticity.
- **Collaboration:** We have a non-competitive culture where teams work closely together within projects and also have opportunity to work and learn from members of other teams.
- **Continuous learning towards excellence:** We facilitate frequent reflective spaces for individuals to develop their self-awareness. We encourage members to accept challenges and additional responsibilities for personal and professional growth.
- **Celebrating accomplishments :** We do team step backs to create space to celebrate individuals success, reflect on our learnings and have fun together.
