JD - Marketing Specialist

Company Description

Carisma Spa & Wellness is an award-winning luxury spa with experience offering superior service in 5-star hotels, luxury resorts, and thalasso centres along the Aegean and Mediterranean coasts of Turkey and Malta. Since 1990, the dedicated staff have enriched guests' lives through a journey of well-being, relaxation, and rejuvenation. Carisma's purpose is to help individuals become the best version of themselves by nurturing the connection between body, mind, and soul.

Role Description

This is a full-time remote role for a Marketing Specialist at Carisma Spa & Wellness. The Digital Marketing Specialist will be responsible for the following tasks:

- Develop, execute, and manage comprehensive performance marketing strategies to achieve business objectives, including lead generation, customer acquisition, and brand awareness.
- Expertly manage ad campaigns across multiple platforms (Google Ads, Facebook Ads Manager, and other relevant platforms), ensuring optimal performance and ROI.
- Conduct thorough market research, competitor analysis, and audience segmentation to identify targeting opportunities and enhance campaign effectiveness.
- Leverage analytics tools to monitor and report on campaign performance, providing actionable insights and recommendations for continuous improvement.
- Collaborate with the creative team to develop compelling ad creatives and landing pages that align with campaign objectives and audience interests.

- Optimize campaigns through A/B testing, keyword research, bid management, and ad copy optimization to maximize conversion rates and reduce CPA.
- Manage budgets efficiently, allocating spending strategically across campaigns and platforms to achieve the best possible outcomes.
- Foster strong relationships with ad platform representatives and leverage these partnerships to gain insights and access to beta features.
- Manage and update website landing pages, ensuring a high level of quality and user experience.
- Develop and maintain landing pages to optimize user engagement and conversion rates.
- Utilize design tools such as Canva to create visually appealing graphics and content.
- Write and publish social media content
