Program Coordinator and Research Assistant Role – Security Studies Program, Carnegie India

Carnegie India is offering an opportunity to a successful applicant to work as a Program Coordinator and Research Assistant for the Security Studies Program. This is a full-time role at Carnegie India's office in New Delhi and will begin in June 2024.

About the role

The program coordinator and research assistant will provide administrative and programmatic support to the Security Studies program and coordinate events, including sending out invitations, scheduling, corresponding with speakers, and handling logistics. They will also liaise with other programs at Carnegie India and coordinate activities of the Security Studies program with them. Further, the program coordinator cum research assistant will assist the communications team in their outreach on matters related to the Security Studies program. In addition, they will assist with research related to India's foreign and security policies for ongoing projects in the Security Studies program at Carnegie India. The research will cover a variety of areas such as India-China relations, developments along India's borders, and geopolitical developments in the Indo-Pacific region.

Requirements

An ideal candidate

- Is expected to have completed a bachelor's degree in international relations or a related field. Candidates with a master's degree will be preferable.
- Have one year of relevant work or internship experience.
- Have an excellent verbal and written command of English.
- Have strong research and organizational skills, the ability to work on flexible deadlines, and the capacity to work on multiple projects simultaneously.
- Be able to work independently as well as part of a team.
- Be proficient in Microsoft Word, Excel, PowerPoint, and Outlook.

How to Apply

For consideration, applicants must send

- A one-page cover letter clearly stating the desired position, as well as relevant experience and skills. The cover letter must indicate the period from which the applicant can start the role.
- A one-page résumé.
- A writing sample of no longer than 800 words. Incomplete applications will not be considered.

CVs and notes of interest can be sent to shibani.mehta@ceip.org by 20 May 2024

The application process is competitive. Applications will be judged on past academic performance, relevant academic study, and work experience. Only qualified and shortlisted applicants will be contacted for interviews. All qualified applicants will receive consideration for employment without regard to caste, race, color, religion, sex, national origin, disability, sexual orientation, gender identity, or any other protected group.
