Did you know that Salespeople have the highest probability of becoming CEOs?

We are hiring for Rockstar BD Folks (Manager-Business Development)

Castler, India's largest digital escrow platform, is Building the New Operating System For Escrow Banking. Castler's unique Escrow Banking Stack is the middleware between Banks and Enterprises to solve the problems of ever-changing business and revenue models, complex transaction flows, source of money, identity verification, fraud management and customer-consumer protection.

Trust is the most important digital currency and Castler is building the epitome of Trust-as-a-Service in India. Operational since April 2021, the Company works with 10 Banking Partners and is the trusted escrow solution for over 500 enterprises and manages over INR 5000 crores in transactions every month. Castler's mission is to build a global escrow platform for both domestic and cross border transactions on the pillars of good governance and responsible execution.

Castler is backed by marquee investors – Flipkart, Capital 2B (an Info Edge fund), Zerodha and IIFL Ventures -and the founding team are experienced serial entrepreneurs having built and scaled large businesses such as **Naukri.com, Jeevansaathi, Mobikwik, 99acres and Razorpay.**
