JD_ RA_ Growth, Finance and Development

CSEP is looking for bright, passionate and hardworking RAs to help in doing policy relevant research on key issues facing India. This includes, but is not limited to – economic growth, human development, climate change, job creation and employment, etc. RAs are core part of the research team, typically led by a senior fellow or a fellow. The job requires them to work with the senior researcher in an end-to-end manner, right from conceptualisation of the study, to reviewing the literature, doing the analyses, synthesizing the findings and writing the paper. A successful RA will not only work as per the guidance of the research lead, but will also engage in a two-way dialogue and interaction to improve the study design and findings. CSEP

Eligibility:

- Advanced degree in Economics (Masters; 0-2 years of experience).
- Strong analytical and writing skills, preferably demonstrated in relevant and recent publications.
- Working Knowledge of STATA or R and Excel
- Strong communication and interpersonal skills.
- Awareness of important debates happening in their areas of interest, and passion for playing a role in influencing the policy discourse.
- Fast learner and must be willing to go the extra mile to understand a problem and develop potential solutions.

Key responsibilities include, but not limited to:

- Ability to problem solve and think independently
- Conduct data analyses and synthesis
- Ability to multi-task
- Willing to play an active role in institution building, like taking speaker notes during webinars/seminars, putting together the invite list, curating and managing events, etc

About CSEP:

The Centre for Social and Economic Progress (CSEP) conducts in-depth, policy relevant research and provides evidence-based recommendations to the challenges facing India and the world. It draws on the expertise of its researchers, extensive interactions with policy makers as well as convening power to enhance the impact of research. CSEP is based in New Delhi and registered as a company limited by shares and not for profit, under Section 8 of the Companies Act, 1956. It was earlier known as Brookings Institution India Centre.

CSEP is an independent, non-partisan research organisation based in New Delhi. It is an Equal Opportunity Employer. All persons regardless of race, colour, creed, national origin, ancestry, sex, marital status, disability, religious or political affiliation, age or sexual orientation shall have equal access to positions, limited only by their ability to do the job. For more details please reach out CSEP website.
