Apply only if you possess these "Must have" Skills and Competencies -

- Courageous enough to adapt the culture of a growing Startup.
- Act and behave like a management graduate not a mere task taker.
- Strong conceptual understanding of International Marketing, OD, Behavioral and Strategic management with practical relevance.
- Ability to work with deliverables in mind.
- Entrepreneurial instinct beyond office cubicle
- Intelligence to do multitasking and prioritization of work
- Excellent communication skills- written oral and articulation.
- Instinct of exhaustive reading, research ,analysis beyond the conventional format and adding value to the deliverables
- Strong strategic bent with inclination towards learning and contributing.
- Adaptability and flexibility to work with cross-functional areas of business.
- Zeal to be driven by productivity than by activity
- Self discipline and ability to self supervise than getting affected by exogenous factors.

- Ability to translate ideas into action by putting management fundamentals into practice.
- Keen to work on aesthetics: appearance, personality, presentation of work, behavior, body language, dress sense, common sense, socially wise and professional code of conduct.

Selection Process-

Step-I: Interested students will contact their placement cell or send their profiles directly (with photograph on it) to careers@digitallynext.com with subject line MGR-2024; your specialization

Step-II: CV Screening
