

Job Title: Junior Copywriter

Experience: 0.5-2 years

Responsibilities:

Understanding the Client's Brief:

- Thoroughly analyze and interpret client briefs to discern key messages and objectives.
- Extract essential information, ensuring a comprehensive understanding of client needs and expectations.

Research:

- Conduct in-depth research to gather relevant facts and insights necessary for creative ideation.
- Utilize acquired information to develop unique and innovative approaches, bringing fresh perspectives to the table.

Creative Conceptualization and Content Creation:

- Engage in the exciting process of ideation, contributing creative concepts and ideas that align with client requirements.
- Develop compelling and effective content across various formats, adhering to established briefs and timelines.

Collaboration:

- Work closely with the design and art teams to ensure seamless integration of ideas into visual representations.
- Foster a collaborative environment by effectively communicating and coordinating with team members.

Account Ownership:

- Take ownership of assigned client accounts, treating them as your own projects.
- Develop a deep understanding of the client's brand and competitors, staying updated on industry trends and competitive activities.

Qualifications:

Grammar and Language Skills:

- Impeccable grasp of grammar, syntax, and language nuances.
- Ability to express ideas in a clear, concise, and engaging manner.

Storytelling Skills:

- Innate storytelling ability with the flexibility to tailor narratives for different audiences and formats.

Team Player:

- Strong collaborative mindset, excited about working in a team-oriented environment.
- Demonstrated ability to contribute positively to creative discussions and brainstorming sessions.

Hardworking and Adaptable:

- Proven work ethic with a willingness to go the extra mile.
- Enthusiastic about learning and adapting to new technologies and communication trends.

Continuous Learning and Open to Feedback:

- Eagerness to learn and share knowledge within a dynamic work environment.
- Openness to feedback, viewing it as an opportunity for personal and professional growth.
- If you believe you have the passion, creativity, and dedication to excel in this role, we invite you to share your portfolio along with your application.
