- Coordinating activities with HQs, Local Team and Bus Partners.

Your Profile – Ready to hop on board

- You hold a degree in communications, public relations or similar
- You bring past experience in a communications/public relations role, wherein you have managed press relations, regularly talked to journalists, pitched stories, written press releases, etc.
- Alternatively, you have extensive experience working as a journalist
- You have an innovative, 360° strategic mindset but are at the same time, hands-on, understanding the bread & butter of business
- Strong media contacts and a good understanding of the media landscape
- Experience in the new economy travel industry and/or scale-up is a plus
- You can multitask, juggling several priorities at the same time and build a brand from scratch
- Cool under pressure - you are able to effectively solve crisis situations
- Excellent communication and presentation skills, and a strong analytical mind set
- You are creative, committed, take initiative and have a performance driven mindset • Excellent oral and written communication skills

About Flix

Flix is pioneering the transport sector by offering climate-friendly alternatives for convenient and affordable travel via the FlixBus and FlixTrain brands. Thanks to a unique business model and innovative technology, Flix has quickly established Europe's largest long-distance bus network and swiftly moved on to a global expansion including the United States, Canada, Chile and Brazil. As a trailblazer for sustainable traffic Flix operated the first green long-distance trains in 2018, initiated a pilot project for all-electric long-distance buses in 2018 and launched EU's first biogas-powered long-distance buses in 2021. While Flix handles technology development, network planning, operations control, marketing and sales, quality management and continuous product expansion, trusted Flix-partners maintain the daily route operations. The unique combination of technology start-up, e-commerce platform and classic transport company has positioned Flix as a leader against major international corporations, permanently changing the global mobility landscape.
