FOSTER AND FORGE FOUNDATION

Community & Communications Manager

Introduction

Foster & Forge Foundation was established in 2015 with the belief that every child has the potential to positively impact their environment & contribute meaningfully to the growth of the country.

Foster and Forge is establishing a new pedagogical approach for teachers in government schools across Uttar Pradesh, Haryana, and Uttarakhand. This new pedagogy is designed to provide an experiential learning approach that builds empathy and problem-solving. The final outcome is children who have an increased application and understanding of concepts taught from subjects in class and an increased future employability potential.

Northstar

In 2024, we are making a strategic pivot .
We have a bold and ambitious 5 year journey ahead of us that aims to reach 1 million teachers who will build belief and mastery on Flux pedagogy to transform the lives of 35 million children annually through an experiential education .

About The Role

We are seeking a passionate and dedicated Community & Communications Manager to lead our efforts in building and nurturing communities within the nonprofit sector and outside. Roles and Responsibilities

1. Community Building:
    - Develop and implement strategies to build and grow communities within the nonprofit sector, including donors, beneficiaries, volunteers, and other stakeholders.
    - Foster meaningful connections and relationships among community members to create a supportive and engaged network.
    - Organize and facilitate community events, workshops, and forums to promote interaction and collaboration.

2. Stakeholder Engagement:
    - Engage with donors, beneficiaries, volunteers, and other stakeholders to understand their needs, interests, and concerns.
    - Provide support and assistance to community members, addressing inquiries, feedback, and issues in a timely and professional manner.
    - Act as a liaison between the organization and the community, representing the interests and values of both parties.

3. Communication Management:
    - Develop and implement communication strategies to effectively engage and inform community members.
    - Create compelling content for newsletters, social media, website, and other communication channels to share updates, success stories, and impact.
    - Monitor and analyze community feedback and engagement metrics to measure effectiveness and make data-driven decisions.

4. Partnership Development:
    - Identify and cultivate partnerships with other organizations, influencers, and stakeholders to expand the reach and impact of the community.
    - Collaborate with external partners to co-create content, events, and initiatives that benefit the community.

5. Community Advocacy:
    - Advocate for the needs and interests of the community within the organization, ensuring that their voices are heard and their contributions are valued.
    - Represent the organization at external events and conferences to raise awareness and promote community engagement.

Experience

- 4-5 years of work experience (minimum) in the development sector.
