Business Development Consultant

GREAT MANAGER INSTITUTE®, MUMBAI, INDIA

JOB SUMMARY

As the Business Development Consultant for our tech-enabled people leadership development platform, you will be responsible for closing new clients through direct contact/outbound calls, word-of-mouth, and tapping into the marketing-qualified leads generated by marketing campaigns.

Responsibilities:

- Acquainting yourself with all products/services offered by Great Manager Institute
- Procuring new clients through direct contact/outbound, word-of-mouth, and through leads generated by marketing campaigns
- Contacting prospective clients through cold calls and emails
- Setting up meetings between prospective clients and Sales Executives
- Maintaining meaningful relationships with existing clients to ensure that they are retained
- End-to-end accountability of the lead closure process that begins with getting new leads, presenting to prospective clients, getting a confirmation and closing all closure activities like contracting and invoicing.
- Identifying upsell/cross-selling opportunities
- Co-ordinating and organizing closed-door events across the country. These events are lead generation and brand-building exercises with the target audience and invitees being CXOs from leading organizations in the country.

Requirements:

- Intesret in **B2B Sales** for a services company
- Should be eager to speak with CXOs (CEOs, CHROs, etc.) level people and build meaningful relationships
- Knowledge of multiple prospecting techniques like cold calling, cold emailing and social outreach
- Excellent communication and negotiation skills
- Persistence and results-orientation

ABOUT US

Great Manager Institute® is a global digital platform for the personalised development and certification of people managers, having the vision of creating a world where every individual gets the opportunity to work with a Great People Manager.

OUR DNA

- **Customer Obsession**: We believe in the concept of understanding customers deeply by putting ourselves in their shoes and gathering and using relevant data to make decisions.
- **Speed**: We want to ensure that our ability to change and act is as fast as the rate of change outside.
- **Global Outlook**: We are creating a product for the world and it can be possible only if we combine personalized and localized offerings with a global outlook.

OUR VALUES

- Be Transparent
- Bring the Best
- Have Faith
- Care
- Respect Individuality

GROWTH OPPORTUNITIES

- If your passion is building a global brand, this role is a perfect preamble to creating a global company with a B2B2C product.
- Massive exposure and opportunity to build international business models such as franchisees and partnerships
- Become an entrepreneur. We operate in a highly entrepreneurial culture. Almost all roles at the Company are constructed to operate with an entrepreneurial mindset.
- Milestones linked to equity ownership. We will be a unicorn in our space. This will create value for key players like you.
