ABOUT US

Great Manager Institute® is a global digital platform for personalized education and certification of people managers, having the vision of creating a world where every individual gets the opportunity to work with a Great People Manager. It is backed by Great Place to Work® Institute, India. We call ourselves Lifetime Digital Coach & Profiler for People Managers.

The role requires micro-entrepreneurs who can work in a fast-paced entrepreneurial environment while delivering innovative solutions on the go. We seek relationship experts who can understand the complexities of an aspirational global brand backed by innovative technology solutions and associate the same with business clients. The role requires ability to work on creating a new set of clients from scratch while utilizing the benefits of alliances and partnerships.

This is a unique opportunity that combines the best of both worlds- start-up and established SME- and provides a clear growth path leading to managing micro-business verticals.

OUR DNA

- Customer Obsession: We believe in the concept of understanding customer deeply by putting ourselves in their shoes and gather and use relevant data to take decisions.
- Speed: In order to become a global unicorn, speed is of paramount importance.
- Global Outlook: We are creating a product for the world, and it can be possible only if wecombine personalized and localized offerings with global outlook.

OUR VALUES

- Be Transparent
- Bring the Best
- Have Faith
- Care
- Respect Individuality
