Recruitment Strategist Role at Humanifi.ai

Location: **Bengaluru**
Job Type: **Full time**

Humanifi.ai is an innovative 'Human in the Loop' AI/ML data solutions provider. We deliver secure enterprise-grade training data for computer vision and natural language processing.Specializing in Clinical and Financial data for the Healthcare domain, our services include Dataset creation, Data Verification, Data Enhancement, Data Labelling, Image Tagging, Categorization, and Segmentation.

We are currently seeking a dynamic and proactive Recruitment Strategist to join our team. The successful candidate will be responsible for identifying and recruiting potential candidates from various mediums as they deem fit. The role will also encompass other key operational areas, such as managing grievances, overseeing payroll, and organising staff rosters above and beyond the duly HR tasks.

Objective of this Role

1. Develop and execute innovative recruitment strategies to identify, attract, evaluate, and hire qualified candidates from various mediums.
2. Manage the entire recruitment process, including job postings, screening resumes, conducting interviews, and finalising employment contracts.
3. Maintain updated job descriptions and requirements for each position on different social media platforms.
4. Handle payroll responsibilities, ensuring accurate and timely payments.
5. Oversee grievance management, acting as the first point of contact for any issues or conflicts, and providing resolution in a professional and timely manner.
6. Manage staff rosters, ensuring optimal staffing levels and schedule adherence.
7. Implement continuous improvement strategies and policies in the recruitment and retention process.
8. Communicate effectively both in writing and verbally with strong attention to grammar and semantics.

Requirements and Qualifications

1. Bachelor’s degree in Human Resources, or a related field.
2. Proven experience as a Talent Acquisition Specialist or a similar role in Human Resources.
3. Strong negotiation skills and understanding of payroll processes.
4. Proficiency in using payroll software.
5. Excellent communication, interpersonal, and decision-making skills.
6. Strong command over grammar and writing.
7. Ability to work effectively in a challenging and fast-paced environment.
8. Strong organisational skills and ability to manage multiple priorities.
9. Knowledge of labor laws and hiring practices.
10. Proficient in MS Office.
11. Acumen in posting jobs
