Job Description

Job Title - Lead
Function - Human Resource
Location - Delhi
Years of Experience - 6+ years
Educational Qualification - Post Graduation

About Indus Action -

At Indus Action, we seek empathetic, driven, and action-oriented team members who align with our intention of making public welfare unlock happen as a 'Do-Tank.' We desire candidates who want to partner with the Sarkar (state) and Samaaj (communities) in service of our audacious mission of systematically making welfare access sustainable and frictionless for our vulnerable citizens and their families.

Our vision of a progressive and inclusive society is replicated internally through our equitable compensation structures, transparent organizational policies, and supportive work culture. As an aspiring Deliberately Developmental Organisation (DDO) combined with our operating values of Listen.Act.Change. - we commit to nurturing active citizens and supporting enterprising individuals with a growth mindset, professionally and personally. At Indus Action, you are valued beyond your role or title. Instead of an open-door policy, we have a no-door policy, where everyone has access to and collaborates with everyone. We offer high cross-functional learning within the ecosystem as well. If you are about building for impact at scale, experimenting, and learning with joy along the way, then Indus Action is the place for you, and we have been looking for you!'

Position Summary-

We are looking for an HR Lead with understanding of HR processes, systems and overseeing recruitment processes, designing company-wide policies etc We encourage individuals with strong organisational skills and a knack for people, policies and processes to apply for this role.

Role and Responsibilities
