About Indus Action

Indus Action is a ''do-tank'' to bridge the gap between law and action with social justice at the center of our mission. Indus Action works towards securing a social protection safety net for vulnerable families by providing sustainable access to a portfolio of welfare entitlements and rights (POWER). Our approach tackles multiple deprivations experienced by vulnerable families. It provides educational access to children, maternity entitlements to pregnant and lactating mothers, income and social security support to parents and senior citizens and universal healthcare to all family members to irreversibly move vulnerable families out of poverty.

Our teams are located in Delhi, Uttarakhand, Haryana, Uttar Pradesh, West Bengal, Orissa, Chhattisgarh and Tamil Nadu

At Indus Action, each day, all of us take steps towards being a Deliberately Developmental Organization. We believe that each one of us brings our whole self to work along with our joys, sorrows, anger and happiness. Indus Action is a safe space to process your inner challenges and reflect on them along with your growth. We push each other with critical, open and honest feedback and create spaces for questions, both large and small.

Every employee also has access to various professional development platforms throughout the year including: Board Retreats, Annual Step-back and other mid year campaigns.
