- Founders: Senior business leaders from consulting & BFSI domain, with working experience in the US at firms such as Bain & Co, Capital One, and Citibank
- Talent: All-star team, consisting of talent from India's most prestigious colleges
- Growth: Growing rapidly – in revenues, profits, headcount, and locations

Indus Insights is VC funded, profitable, and includes global business leaders among its Advisory Board and Investors group. More information: www.indusinsights.com

Why Indus Insights

This is an opportunity to be part of an exciting and growing organization. We believe in the team we are building and are looking for a dynamic, dedicated, and versatile HR professional who is passionate to add value to business.

Purpose of your role

Drive the growth and success of our firm by strategically identifying, attracting, and onboarding top-tier and diverse talent, both from lateral hiring channels and through campus recruitment initiatives.

Key Responsibilities:

As a Talent Acquisition Lead your roles and responsibilities will include (and will not be limited to):

- Develop and execute innovative strategies for talent acquisition, focusing on both lateral hiring and campus recruitment
- Utilize various sourcing methods to identify and engage with high-quality candidates, including job boards, social media and employee referrals
- Lead and mentor a team of Talent Acquisition specialists, providing guidance, feedback, and support in executing recruitment activities and fostering their professional development
- Build and maintain strong relationships with top tier universities, colleges, and other educational institutions to enhance our campus recruitment efforts
- Coordinate and participate in campus recruitment events and campus interviews
- Manage the end-to-end recruitment process, from initial candidate screening to offer negotiation and onboarding
- Ensure a positive candidate experience throughout the recruitment process, serving as a brand ambassador for our company
- Stay abreast of industry trends and best practices in talent acquisition, continuously refining our recruitment strategies and processes
- Develop and maintain recruitment dashboards, management information systems (MIS), and reporting mechanisms to track recruitment metrics and performance indicators
- Utilize data insights from recruitment dashboards and MIS to identify areas of improvement and implement strategies to optimize recruitment processes and outcomes

Our Requirement

- Bachelor's degree or MBA in Human Resources, Business Administration, or a related field from a reputable institution, preferably a tier 1 or tier 2 college.
- 4-6 years of experience in talent acquisition, campus recruitment, or related roles, preferably within the technology or consulting industry.
- Proven track record of success in sourcing and attracting top talent, both through traditional and innovative recruitment methods. Or strong understanding of campus recruitment processes and best practices.
- Excellent communication and interpersonal skills, with the ability to effectively engage with candidates and internal stakeholders
- Experience leading and mentoring a team of recruitment professionals
- Ability to thrive in a fast-paced environment and manage multiple priorities simultaneously

- Highly organized with meticulous attention to detail
- Proficient in applicant tracking systems and other recruitment tools
- Passion for talent acquisition and a commitment to promoting diversity and inclusion in the workplace
