Job Title: Content Writer – Edtech Sector - KC GlobEd

Position Overview: We are seeking a creative and passionate Content Writer to join our dynamic EdTech company KC Global Edutech Private Limited. As a Content Writer, you will play a crucial role in developing SEO driven high-quality educational content that engages, informs, and inspires learners across various platforms. You will collaborate with our instructional design and marketing teams to create compelling written materials that support our mission of providing exceptional online learning experiences.

Responsibilities:

1. **Content Creation:** For our social media platforms, learning management system, website and IP created in various forms.
2. **Curriculum Enhancement:** Collaborate with subject matter experts and instructional designers to refine and enhance existing course materials, ensuring clarity, accuracy, and alignment with learning objectives.
3. **SEO Optimization:** Craft content with a focus on search engine optimization (SEO) best practices to enhance the visibility and reach of our educational resources.
4. **Research and Analysis:** Conduct thorough research on relevant educational topics, staying up-to-date with industry trends, best practices, and emerging technologies.
5. **Editing and Proofreading:** Review and edit content for grammar, style, and accuracy, ensuring a high level of quality and consistency in all written materials.
6. **Content Calendar Management:** Collaborate with the content team to develop and maintain a content calendar that aligns with our educational objectives and marketing initiatives.

Qualifications:

1. Bachelor's degree or undergoing Bachelor's degree in English, Journalism, Communications, or a related field.
2. Experience as a content writer, preferably in the education or EdTech sector will be an added advantage.
3. Excellent writing, editing, and proofreading skills, with a keen eye for detail and accuracy.
4. Proficiency in SEO strategies and content optimization techniques.
5. Eagerness to learn with various educational technologies and learning management systems.
6. Creative mindset with the ability to generate innovative content ideas.
7. Ability to work collaboratively in a fast-paced, deadline-driven environment.
8. Passion for education, e-learning, and technology trends.
