Job Title: Research Associate

Position Overview

As a Research Associate Staff, you will be responsible for creating engaging, informative, and innovative content for professional and educational courses. The ideal candidate should have a strong background in curriculum development, and instructional design, and a deep understanding of commerce & management education course industries and educational levels.

Key Responsibilities:

- Conduct thorough research to design and develop high-quality, comprehensive course content that aligns with learning objectives, industry standards, and best practices for professional and educational programs like US CPA, US CMA, US Enrolled Agent, US CIA, US CISA, UK IFRS, UK ACCA, US GAAP, US Taxation, FRM, CFA etc.
- Incorporate interactive elements, case studies, and practical examples to facilitate effective learning.
- Design instructional strategies that enhance the learning experience and cater to diverse learning styles.
- Stay abreast of industry trends, advancements, and changes to ensure course content remains current and relevant. Also, collaborate with subject matter experts and industry professionals to gather insights and ensure accuracy.
- Conduct thorough reviews and edits to ensure the highest quality standards in terms of clarity, coherence, and instructional effectiveness.
- Implement feedback from stakeholders and subject matter experts to improve content quality.

Qualifications and Skills:

- MBA Finance degree.
- Proficient in both verbal and written English communication.
- Strong research and analytical skills, with the ability to synthesize complex information into clear and concise content.
- Familiarity with US CPA, US CMA, and/or EA certifications is a plus.
- Familiarity with e-learning platforms and technologies is a plus.
- Ability to work independently and as part of a collaborative team.
- High level of self-motivation and a results-driven mindset.
- Flexibility to adapt to changing priorities and business needs.

Employment Types: Full-time, Permanent
