

About the opportunity

Job Title: Associate Consultant
Function: Governance Risk & Compliance Services - North
Location(s): Gurgaon

KPMG is a global organization of independent professional services firms providing Audit, Tax and Advisory services. We operate in 146 countries and territories and in FY20 had close to 227,000 people working in member firms around the world.

KPMG entities in India are professional services firm(s) that are affiliated with KPMG International Limited. KPMG was established in India in August 1993. We offer services to national and international clients in India across sectors. We strive to provide rapid, performance-based, industry-focused, and technology-enabled services, which reflect a shared knowledge of global and local industries and our experience of the Indian business environment.

KPMG's Governance Risk & Compliance practice is unique…
• The Governance, Risk & Compliance Services practice assists companies and public sector bodies to mitigate risk, improve performance and create value.
• Our professionals provide the experience to help companies stay on track and deal with risks that could unhinge their business survival.
• We assist our clients to effectively manage business and process risks by providing a full spectrum of corporate governance, risk management, and Compliance Services.
