Kapable

Program Advisor

Job Description

Company Overview

At Kapable, we provide personalised and hands-on training to seasoned and aspiring leaders to develop their power skills. We believe that every leadership decision is based on three aspects: how you structure and strategise your thoughts, how you express these thoughts into actionable plans, and how you implement them with your team. These are what we call Thinkable, Speakable, and Workable — the three pillars on which the company stands.

In the past years, we have helped more than 1500 learners transform their lives through our leadership programs, and to continue working on this mission, we are looking for a motivated and hardworking Program Advisor.

Position Overview

Kapable is seeking a growth-oriented and resilient **Program Advisor** with excellent English proficiency (spoken), effective communication skills, and the ability to understand the needs of our customers. The ideal candidate will be able to communicate fluently with our existing and prospective customers, understand their expectations from our program, and advise them accordingly. You will need to convert prospective customers into paid customers and also build relationships with these customers.

Join our team and be part of a rapidly growing company that aims to transform the lives of individuals through innovative learning experiences.

Key Responsibilities

- Collaborate with the marketing team to connect with the leads they generate.
- Reach out to potential customers, understand their needs & expectations and explain how our program will cater to those needs.
- Conduct outbound calls, including follow-ups and feedback, using provided databases.

Kapable

- Arrange counselling sessions between potential customers and Kapable's training team.
- Implement timely follow-ups to progress prospects from initial contact to qualified leads via phone communication.
- Collaborate with cross-functional teams to address and resolve customer concerns effectively.
- Keep learners informed about product/content updates and new features.
- Utilise effective behavioural tactics to answer learners' queries and successfully convert prospective learners into enrolled students.
- Meet necessary deadlines and targets set by the management and team leads.

Job Requirements

- Exceptional communication skills and ability to build rapport with diverse learner profiles.
- Openness to feedback, commitment to continuous improvement, and collaborative spirit.
- Ability to work hard with resilience and meet daily and monthly targets.
- Structured thought processes, collaboration skills across diverse teams, and adaptability to dynamic environments.
- Proficient in English, MS Office, and Google Suite, with the ability to understand and articulate value proposition and customer ROI.

**Bonus points if you enjoy playing cricket or engaging in Bollywood trivia on the sideline!*
