Intervention	Excel
Position	SAM / AM – Excel
Level	Senior Assistant Manager / AM
Reporting To	DPH
Reportee's	None
Role Overview	

About KEF:

Kotak Education Foundation (KEF) was founded by Uday Kotak. He is the Founder Trustee of KEF, Managing Director & CEO, Kotak Mahindra Bank Ltd. He has led the group in a broad range of financial services for over 30 years. Uday believes that the true measure of performance is value creation. The group's vision for equitable prosperity extends beyond financial services.

Kotak Education Foundation's (KEF) mission is to support children and youth from underprivileged families through different education based interventions to rise above the poverty line and lead a life of dignity through sustainable processes. KEF works with some of India's most economically underprivileged communities, attempting to alleviate poverty through education and livelihood programs.

KEF works with multiple regional language government-aided private institutions. These schools have been set up by social entrepreneurs and lack quality teaching, infrastructure and leadership. Through its various programs across education, innovative healthcare and livelihood training programs, the foundation supplements the efforts of these schools to improve their conditions.

Roles and Responsibilities

Overall Role

This work involves fostering strong, meaningful relationships with our Alumni and leveraging these efforts to improve Alumni ownership, engagement and collaboration. This will be an essential community manager role to unleash the power of our Alumni to learn and act collectively with an intention to change the status quo for children. Besides the role also involves administering job placement for students with the aim of expanding and improving job placement outcomes for students. The Senior Assistant Manager - Alumni and placements will be responsible for end-to-end management of the Alumni and placement activity across all excel projects and perform a wide range of duties including some or all of the following:

Alumni Network Related:

Develops and implements Alumni Reengagement Strategy to meet Strategic Plan goals by increasing the number of alumni volunteers and alumni donors.

Plan, organize and implement programs to maintain and promote alumni interest and support for the Excel scholars. Ensures effective coordination with internal teams related to Alumni Relations.

Establish and sustain an active Alumni chapter committee that creates projects and spaces at the intersection of the vision and needs of the Alumni community and excel scholars.

Support the Alumni chapter with project management, event logistics and user experience

Design and execute new initiatives that will bring the Alumni to mobilize people/resources, advocate for shared causes and collaborate with each other.

Own the design and execution of large-scale events like education conferences, regional conclaves etc. to make collective progress visible and instil a sense of pride

Moderate local Alumni email distribution lists, WhatsApp/Telegram groups and other social media channels

Building learning communities:

Identify and nurture key Alumni in the region who can anchor Communities of Practice (CoPs) across various prioritized pathways within education

Invite Alumni to galvanise around high leverage problem statements and inspire action on key barriers faced by children in the region

Create a regional entrepreneurs' collective and organize recurring spaces for peer learning and support

Managing data & impact:

Maintain an updated Alumni database that tells us where our Alumni are, the roles they play and the health of their community.

Set up systems to track and report Alumni engagement data across projects and periodically share these with project teams

Use the database to accurately record, track and report Alumni donations and other supports received by the alumnus

Liaise with the Communications Lead to plan creative campaigns, newsletters podcasts, reports, websites etc. that spread stories of individual and collective impact within and beyond the local Alumni community of the students as and when required

Student Placement:

Develop, implement and manage a variety of job placement and work-based learning activities for students, including assessment for job readiness, career exploration, navigation, coaching and/or counselling, and job preparation skills training.

Provide direct support to students, including information and guidance about requirements of specific occupations; job market trends; proper work habits; and techniques for competing for jobs, including appropriate dress, preparing resumes, and interviewing strategies.

Research on latest job opportunities and placement trends and reach out to companies for placement and conduct workshops to advice students accordingly

Connect students to employers by facilitating interviews, matching students to internship sites, participation in job recruitment fairs etc and assisting with job placement.

Provide support for student participation in job placement activities, including documentation, transportation, and communication between employers and students. Record keeping of placements offered by companies and students placed.
