KOMMUNE

Job Description:
Chief of Staff, Founder's Office Kommune
For Roshan Abbas

Overview:
We're on the lookout for a dynamic, incredibly organized, and adaptable Chief of Staff to join our team. This role is a unique mix, supporting various ventures such as our film and OTT production house (RAP), Kommune - a hub for nurturing art and artists, and a personal startup investment portfolio.

As Chief of Staff, you'll also play a key role in managing workshops and crafting engaging content for Instagram. It's a position that demands a blend of logistical prowess, coordination finesse, and strategic input into investments, alliances, and partnerships.

Key Responsibilities:

Strategy, Growth and Support for Kommune/RAP/Stumble (30%)

- Assist in project management for film and OTT productions, ensuring deadlines and quality are maintained.
- Foster communication and collaboration within creative teams.
- Work closely with the brand solutions team and external partners
- Support the operational needs of Kommune, in line with its mission of nurturing culture and artists.
- Drive optimisation towards revenue growth for the portfolio of companies.

Investments, Alliances, and Partnerships (40%)

- Dive into the startup investment scene, scouting and evaluating potential opportunities.
- Cultivate and nurture relationships with partners, investors, and stakeholders.
- Coordinate strategic initiatives and lend support in negotiation processes.
- Building workshops and personal branding for Roshan Abbas

Logistic Management (30%)

- Keep schedules in check and ensure meetings run smoothly, optimizing time.
- Coordinate all travel arrangements, from tickets to visas and accommodations.
- Handle administrative tasks to keep day-to-day operations seamless.
- Liaise with Roshan Abbas' Content and social media teams and drive key KPIs
