KOMMUNE

Job Title: Creative Brand Strategist

Company Overview:
Kommune is a collective transacting in stories bred in culture and led by creators. We work with artists, creators, brands, researchers and other partners to create unique ideas across culture, community, content, learning and live experiences.

Stumble is the culture vertical at Kommune that drives the agency business, the Stumble editorial, research and insights for brands, creators, collectives and the curious. The role outlined below will be a function at Stumble and Kommune.

Position Overview:
Are you a creative soul with a finger on the pulse of current culture and the creator economy? Do you love stumbling upon unique and thought-provoking content that captures the zeitgeist? If so, we have an exciting opportunity for you! We are looking to bring into our team, a highly driven and skilled Creative Brand Strategist to play a key role in developing and executing comprehensive brand strategies that drive business growth and solution brand objectives.

The individual will be responsible for ideating and implementing strategies that align with our company's objectives of deeply rooted cultural insights and resonate with the brand purpose. This individual will work closely with cross-functional teams to deliver innovative solutions, and creative cultural impact and build a unique offering to clients through integrated marketing campaigns and initiatives. The ideal candidate would also play a key role in identifying and disseminating key trends and brand developments via our editorial.

Key Responsibilities:

Creative Strategy:

- Conduct thorough research and analysis to identify emerging market trends, consumer insights, and cultural undercurrents that shape consumer behaviour to inform brand strategies.
- Stay updated on cultural, societal, and industry trends, recognizing opportunities for brand engagement and innovation that resonate with our services across culture and creative solutions.
- Lead brainstorming sessions and ideation workshops to generate innovative and impactful brand campaigns and activations that are culturally relevant.

- Develop creative briefs and project plans outlining brand objectives, audience insights, and key messaging for integrated marketing campaigns.
- Identify creators, consultants, culture experts and vendors to translate strategic insights into impactful creative concepts and executions across various channels, ensuring alignment with brand objectives.

Client Servicing:

- Collaborate with cross-functional teams to develop comprehensive brand strategies aligned with business objectives and growth initiatives.
- Serve as the primary client contact, providing strategic guidance, recommendations, and exceptional service to ensure client satisfaction and project success.
- Work closely with stakeholders to align brand strategies with client needs and objectives, offering strategic guidance throughout the project lifecycle,
- Monitor and evaluate campaign performance metrics, KPIs, and ROI to optimise strategies and drive continuous improvement, maintaining a focus on meeting client expectations.
- Establish and nurture relationships with key stakeholders, partners, and vendors to support brand initiatives, prospect leads and partnerships.

Project Management:

- Manage projects concurrently, ensuring timely delivery within budget and meeting client expectations.
- Establish and maintain effective project workflows, timelines, and communication channels to facilitate seamless coordination and collaboration across teams.
- Develop and execute innovative brand strategies to differentiate our products/services and drive business growth.
- Act as a brand ambassador, advocating for brand guidelines and ensuring consistency across all touchpoints and channels.
- Remain abreast of industry trends, emerging technologies, and best practices to inform brand strategies and creative approaches, ensuring projects are innovative and relevant.

Qualifications:

- Bachelor's degree in marketing, communications, business administration, or related field. Postgraduate degree preferred.
- Demonstrated experience in brand management, marketing, strategy or related roles.

- Strong strategic thinking and analytical skills, with the ability to translate data and insights into actionable brand strategies.
- Excellent communication, presentation, and interpersonal skills, with the ability to influence and collaborate effectively across all levels of the organization.
- Demonstrated experience in leading cross-functional teams and managing multiple projects simultaneously.
- Creative thinker with a passion for innovation and driving impactful results by finding a confluence of commerce and culture.
- Experience with digital marketing, social media, and analytics tools is a plus.
- A genuine passion for the creator economy, content, and IP building.

What We Offer:

- An exciting and driven work environment.
- Opportunities to work on diverse and unique projects.
- A role that offers both hands-on creative and strategic involvement.
- The chance to be part of a community that cherishes art and creativity.
- The role will be based in Mumbai, remote options can be explored
- Compensation: INR 10,00,000 to INR 14,00,000

If you're driven, and passionate about creativity and strategy, we'd love to hear from you.
