Job Description

Manager - Community Development & Engagement

About the organisation

MASH Impact is an award-winning organisation that works towards creating greater social impact. It works on advancing progress on the Sustainable Development Goals by working with different partners from the private sector, civil society & national and international governments, academia and media through critical intervention areas- Community Building, Capacity Development, Communications and campaigns.

MASH's clients & partners include UN Agencies, the Ministry of Entrepreneurship & Skills Development, Facebook, Dailyhunt, Josh, Reckitt, Dasra, Asian Venture Philanthropy, Network (AVPN), Hearth Ventures, Asha Impact, RegASK, Ashoka University and Shiv Nadar University among others. MASH has been felicitated among the top 3 Global Winners of the Goalkeepers Global Goals Awards by the Bill & Melinda Gates Foundation in New York**.**

About the role

Experience Required

3+ years of full-time work experience

Location
