OUR WORK IN SUSTAINABILITY

OUR SUSTAINABILITY APPROACH TARGETS ACHIEVEMENT ACROSS 10 SDG GOALS

1. SOURCING

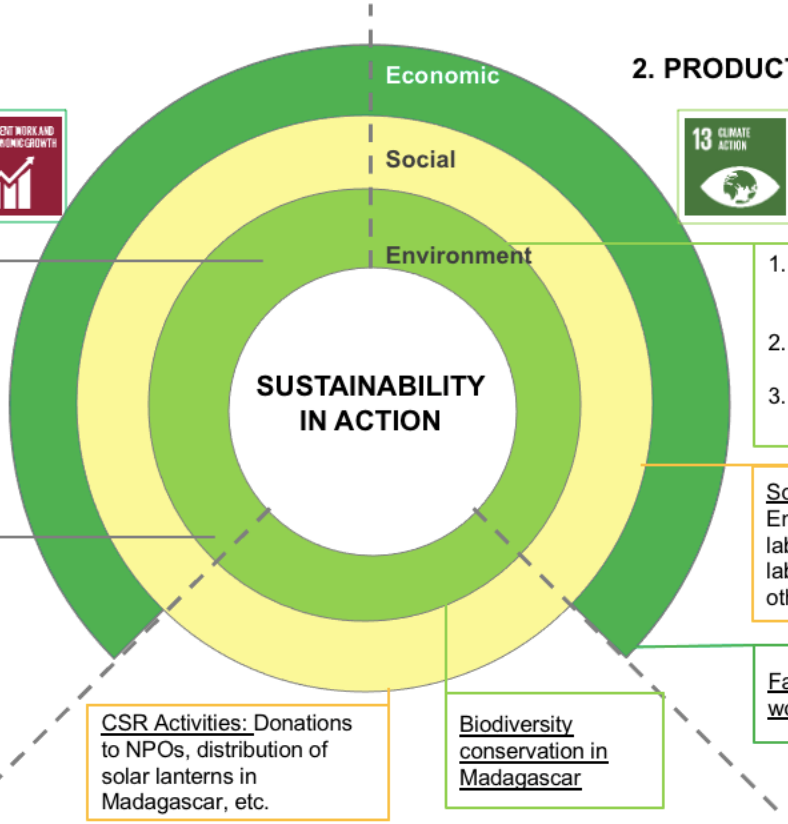

Centella Asiatica & Boswellia Serrata

1. Environment: Climate change (GHG emissions reduction) and biodiversity preservation
2. Social: Education, vocational training, health and safety measures for suppliers and their communities
3. Economic: Fair wage payment to producers

Matcha Green Tea

1. Environment and Social: Fair trade standard compliance
2. Economic: Fair wage payment to producers

2. PRODUCTION

1. Climate change (GHG emissions reduction): Solar power, green chemistry, air and water pre-heaters, factory electric vehicles
2. Water and land preservation: Effluent treatment plant, zero discharge facility
3. Other policies: pollution control, waste treatment etc.

Social benefits for factory workers and staff: Employee health and safety, working conditions, labour relations, prevention of child/forced labour, anti-discrimination and harassment, other human rights, etc.

Fair and equal pay policies for staff and factory workers

CSR Activities: Donations to NPOs, distribution of solar lanterns in Madagascar, etc.

Biodiversity conservation in Madagascar

3. CORPORATE SOCIAL RESPONSIBILITY
