Position Overview

As a Marketing Associate, you will be an integral part of our marketing team, assisting in the development and execution of marketing campaigns, strategies, and initiatives to drive brand awareness, engagement, and ultimately, sales growth. This role offers a unique opportunity for freshers to gain hands-on experience in various aspects of marketing while contributing to the success of our company.

Responsibilities

- **Campaign Execution:** Assist in the planning, execution, and optimization of marketing campaigns across multiple channels, including digital, social media, email, and traditional marketing avenues.
- **Content Creation:** Collaborate with the content team to create compelling and engaging content for marketing materials, including website copy, blog posts, social media posts, emails, and advertisements.
- **Market Research:** Conduct market research and analysis to identify trends, opportunities, and competitive insights, providing valuable input for marketing strategies and decision-making.
- **Social Media Management:** Support social media efforts by scheduling posts, monitoring engagement, responding to comments/messages, and analyzing performance metrics to optimize content and strategies.
- **Event Coordination:** Assist in the planning and execution of events, trade shows, and promotional activities, including logistics, vendor coordination, and onsite support as needed.
- **Collaboration:** Work cross-functionally with internal teams such as sales, product development, and design to ensure alignment and consistency in messaging and branding efforts.
- **Analytics and Reporting:** Utilize analytics tools to track, measure, and report on the performance of marketing campaigns and initiatives, providing insights and recommendations for optimization.

Desired Profile

- Strong written and verbal communication skills, with a keen eye for detail and creativity
- Basic understanding of marketing principles and strategies, with a passion for learning and staying updated on industry trends
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint) and familiarity with marketing tools and platform
