ONE EIGHTY AAMOKSH

Job Title: Full-Stack Developer (Remote)

Company: One Eighty Aamoksh Technologies Pvt Ltd

Location: Remote

Salary: INR 6 LPA (20% Variable Pay)

About Us: One Eighty Aamoksh Technologies is a leading web and mobile development agency specializing in cutting-edge technologies. We're currently looking for early-careers to join our dynamic team.

Position Overview: We're seeking a skilled and motivated Full-Stack Developer to contribute to our web development projects. As a Full-Stack Developer, you will work remotely, leveraging your expertise in Angular 2+, DotNet Core, and Microsoft Azure to create robust and scalable solutions.

Responsibilities:

- Collaborate with cross-functional teams to define, design, and deploy new features.
- Develop front-end components using Angular 2+ and ensure high performance and responsiveness.
- Design and implement backend solutions using DotNet Core.
- Work with cloud services, primarily Microsoft Azure.

Qualifications:

- Bachelor's degree in Computer Science or related field.
- Proven experience as a Full-Stack Developer or similar role is preferred.
- Proficient in Angular 2+ and DotNet Core.
- Experience with cloud platforms, preferably Microsoft Azure.
- Strong problem-solving and communication skills.
- Ability to work independently and collaboratively in a remote environment.

Commitment: The selected candidate must commit to a minimum of one year with our organization.

How to Apply: Submit candidate resumes to with the subject line "Application for Full-Stack Developer Position." Shortlisted candidates will undergo a rigorous selection process, including a technical and aptitude test. Successful candidates will proceed to a technical interview followed by a final round with the hiring manager.

Join us in shaping the future of web development!
