Marketing Activations Executive

About Nua

Nua is a venture-funded, direct-to-consumer (D2C) brand transforming women's wellness in India. Starting with our innovative, chemical-free and India's only fully customisable sanitary pads, we are on a mission to develop holistic and personalized solutions for solving real problems that women face. We do this by building a wellness platform with great products, an impactful community and a personalized customer experience. With a growing community of over 10 lakh women, we are already India's largest and most engaged digital-first FemTech brand.

Our story began with a pad. And not just any pad that could be picked off the shelves but one that was truly thought around a woman's needs. Since then, we have grown multi-fold with innovative, inclusive and effective products that are Made Safe certified and backed by science. We continue to co-create products with our community and fuel the D2C revolution through deep consumer insights and investments in technology.

Nua has raised over $12 million in venture funding, backed by marquee investors including Lightbox Ventures, Kae Capital, Deepika Padukone and Vindi Singh Banga, and Kamini Banga of the Banga family office.

If you are as passionate as we are in making a difference and creating real impact in a fast-paced and wildly creative environment, then you might just be the person we are looking for.

About the Role

At Nua, we are obsessed with developing holistic solutions to existing women's problems through great products, personalized experience and a supportive community.

As a Marketing Activations Executive, you will be working on a number of areas within category operations and growth management (such as). The ideal candidate for this role will have strong problem-solving skills, analytical thinking, and ability to work on multiple work streams with competing priorities. We are looking for someone who is customer obsessed and data-driven. They should have strong problem-solving skills and juggle multiple tasks.

Key Responsibilities

1. Driving offline activations as per the Category Growth Strategy

2. Collaborating with schools and colleges to strengthen brand awareness and consideration
3. Partnering with corporates to drive trials through sampling, pop-ups and installing Nua products in washrooms
4. Driving strategic partnerships with hospitality chains (hotels, restaurants, etc.) to help drive product trials
5. Work closely with the Sales teams to leverage the relationships built with the above institutions
6. Collateral planning: aligning with creative, content, and design team to develop category collaterals

Job Requirement

The most ideal candidate for the role will have:

1. A strong undergraduate degree from top-tier college
2. The ability to work across cross-functional teams and on multiple work streams with competing priorities
3. Strong analytical and problem-solving skills
4. Strong written and oral communication skills
5. Bias for action and is a self-starter

What's in it for you

- Experience a once-in-a-lifetime opportunity to become a part of a fast-growing company at an early stage and work in one of India's most innovative digital, direct-to-consumer brands
- A steep learning curve with exposure to other business functions, including customer experience, technology, product development, marketing
- A performance-based environment with no limits to career growth and personal development
