About the company

PedalStart is India's fast-growing startup founders' community and accelerator that works intensively with startups in each phase of their journey. We have been transforming big ideas into high-potential businesses since 2021 and have successfully supported 1900+ startups to date.

Roles and responsibilities:

- Research industry-related topics and trends to generate ideas for content
- Write clear, concise, and engaging copy for websites, blogs, social media, email campaigns, and other digital channels
- Collaborate with cross-functional teams, including marketing, design, and product, to develop content strategies that align with business objectives
- Optimize content for search engines (SEO) and incorporate relevant keywords and phrases
- Edit and proofread content to ensure accuracy, consistency, and adherence to brand voice and style guidelines
- Monitor and analyze content performance metrics to measure the effectiveness of campaigns and make data-driven recommendations for improvement

Requirements:

- Proven experience as a Content Writer, Copywriter, or similar role
- Exceptional writing, editing, and storytelling skills with impeccable grammar and attention to detail
- Ability to adapt writing style and tone to target different audiences and platforms
- Familiarity with SEO principles and keyword research tools
- Proficiency in content management systems (e.g., WordPress) and basic knowledge of HTML
- Excellent time management and organizational skills with the ability to multitask and meet tight deadlines
