About the company
PedalStart is India's fast-growing startup founders' community and accelerator that works intensively with startups in each phase of their journey. We have been transforming big ideas into high-potential businesses since 2021 and have successfully supported 1900+ startups to date.

Roles and responsibilities:

- Assist in the design and development of various marketing materials, including but not limited to social media graphics, digital ads, email campaigns, and print collateral
- Collaborate with the design team to brainstorm and execute innovative design concepts
- Support the creation of brand identities, logos, and style guides
- Help maintain and organize digital asset libraries
- Assist with photo editing and retouching as needed
- Stay up-to-date with industry trends and best practices in graphic design
- Complete assigned projects within established deadlines

Requirements:

- Proficiency in Adobe Creative Suite (Photoshop, Illustrator, InDesign)
- Strong design sensibility with a keen eye for detail and composition
- Excellent communication and interpersonal skills
- Ability to take direction and work collaboratively in a team environment
- Portfolio showcasing design skills and creative projects (if available)
