About the company

PedalStart is India's fast-growing startup founders' community and accelerator that works intensively with startups in each phase of their journey. We have been transforming big ideas into high-potential businesses since 2021 and have successfully supported 1900+ startups to date.

Roles and responsibilities:

- Develop and implement social media strategies to increase brand visibility, audience engagement, and follower growth
- Create, curate, and manage engaging content for social media platforms, including but not limited to Facebook, Instagram, Twitter, LinkedIn, and TikTok
- Plan and schedule content calendars, ensuring consistent posting and alignment with marketing campaigns and initiatives
- Manage social media advertising campaigns, including budget allocation, targeting, and performance tracking
- Analyze social media metrics and KPIs to measure the effectiveness of campaigns and identify areas for improvement
- Stay up-to-date with emerging trends and best practices in social media marketing, platform updates, and industry developments
- Collaborate with cross-functional teams, including marketing, design, and customer service, to ensure cohesive brand messaging and customer experience across all channels

Requirements:

- Proven experience as a Social Media Manager or similar role
- In-depth knowledge of social media platforms, algorithms, and best practices
- Strong writing and communication skills with the ability to craft engaging and compelling content
- Ability to think creatively and strategically, with a keen eye for visual aesthetics and storytelling
- Excellent organizational and multitasking skills with the ability to manage multiple projects and deadlines simultaneously
