About the Company

PedalStart is India’s fast-growing startup founders’ community and accelerator that works intensively with startups in each phase of their journey. We have been transforming big ideas into high-potential businesses since 2021 and have successfully supported 1900+ startups to date.

Role and responsibilities:

● Monitor and engage with our community across various online platforms, including social media channels, forums, and community forums.
● Respond to comments, messages, and inquiries from community members in a timely and professional manner, fostering positive interactions and building relationships.
● Create and curate engaging content to share with our community, including blog posts, articles, videos, and social media posts.
● Organize and facilitate online events, such as webinars, Q&A sessions, and virtual meetups, to connect with our community and provide value-added experiences.
● Identify and cultivate brand advocates and influencers within our community, encouraging them to share their experiences and promote our brand.
● Collaborate with cross-functional teams to gather feedback from the community and communicate insights and trends to inform product development, marketing strategies, and customer support efforts.

Requirements:

● Currently enrolled in a Bachelor's or Master's degree program in Marketing, Communications, Business Administration, or a related field.
● Strong written and verbal communication skills, with the ability to communicate effectively with diverse audiences.
● Passion for building and engaging with online communities, with a deep understanding of social media platforms and online community dynamics.
● Creative thinking and problem-solving skills, with the ability to generate innovative ideas to drive community engagement and growth.
● Excellent organizational skills and attention to detail, with the ability to manage multiple tasks and priorities in a fast-paced environment.
● Positive attitude, willingness to learn, and eagerness to contribute to a collaborative team environment.
