Content Tastemaker | Perpetuum

We are seeking a talented and passionate Content Tastemaker to join our team and help shape the voice of Spilll. As a core pillar of our product, content plays a crucial role in engaging our audience and driving our mission forward. This role combines content strategy and copywriting to drive growth and engagement. If you have a strong social media footprint, deep experience with AI-based content tools, and a fascination for pop culture, we want to hear from you.

Key Responsibilities:

- Content Creation for Instagram and Twitter:
    - Develop and execute content strategies to establish Spilll as a trendsetter on Instagram and Twitter.
    - Create visually appealing, engaging, and relatable content that drives user engagement and brand awareness.
    - Write compelling captions and utilize relevant hashtags to maximize reach and impact.
- Audience Insights and Engagement:
    - Conduct research to understand our target audience's preferences, behaviours, and pain points.
    - Craft content that resonates with our audience and encourages interaction and sharing.
    - Engage with followers through comments, direct messages, and interactive posts.
- Research and Trend Analysis:
    - Monitor social media trends, conversations, and emerging platforms to stay ahead of the curve.
    - Analyse competitors and industry leaders to identify best practices and new opportunities.
    - Leverage insights from platforms like Reddit and Clubhouse to inform content strategies.
- Content Strategy and Planning:
    - Collaborate with the marketing team to develop and execute a comprehensive content calendar.
    - Ensure all content aligns with the brand's voice, values, and goals.
    - Experiment with different content formats (e.g., videos, stories, polls) to engage users.
- Referral and Viral Campaigns:
    - Develop and implement referral schemes and viral campaigns to drive user acquisition.
    - Track and analyse the performance of campaigns to optimise for maximum impact.
    - Leverage social proof and user-generated content to enhance campaign effectiveness.
- Data Analysis and Optimization:
    - Utilise analytics tools to measure content performance and identify areas for improvement.
    - Conduct A/B testing to refine content strategies and maximize engagement.
    - Report on key metrics and provide insights to inform future content planning.
- AI Tools and Innovation:

Email: hustle@perpetuum.co

    - Utilise advanced AI tools like GPT, Gemini, and Claude for content research and development.
    - Stay updated on technological advancements and integrate innovative approaches into the content strategy.

Qualifications:

- Experience: 1-2 years of experience in social media copywriting, content strategy, or a related role, preferably in a consumer tech company.
- Social Media Expertise: Proven track record of growing and engaging audiences on platforms like Instagram and Twitter. Strong personal or professional social media footprint.
- Strong Writing Skills: Exceptional writing and editing skills with the ability to craft compelling and concise content.
- Analytical Mindset: Ability to interpret data and analytics to drive content decisions. Experience with social media analytics tools.
- Creative Thinker: Innovative and creative mindset with the ability to develop fresh content ideas that resonate with our audience.
- Team Player: Excellent communication and collaboration skills. Ability to work effectively with cross-functional teams.
- Passion for Authentic Expression: Enthusiasm for building products that foster genuine connections and enhance social interactions.
- AI Expertise: Hands-on experience using advanced AI tools like GPT, Gemini, and Claude for content research and development.
- Pop Culture Enthusiast: Deep fascination for pop culture, including the latest music, OTT content, trends, influencer gossip, and other facets of contemporary entertainment.
- Community Building: Proven experience in building or contributing to a community, such as a community magazine, and using psychological hacks for growth copywriting to drive higher conversion through the funnel.

Why Join Us:

- Impact: Play a crucial role in shaping the voice and growth trajectory of a groundbreaking product from the ground up.
- Innovation: Be part of a team that values creativity and innovation, always pushing the boundaries of what's possible.
- Growth: Opportunity for professional growth and development in a dynamic and fast-paced environment.
- Culture: Join a supportive and inclusive team that celebrates individuality and empowers your voice.

How to Apply:

If you are passionate about social media and creating content that makes a real impact, we'd love to hear from you. Please send your resume, a portfolio of your work, and a cover letter detailing your relevant experience and why you're excited about the opportunity to join Perpetuum and help lead the content strategy for Spilll.

Join Perpetuum and help us make the internet a more engaging and inclusive place.
