Job Title: Brand Solutions Executive

About Pravis:

Pravis is a cutting-edge growth marketing firm founded by ex-Momspresso founders, who successfully exited their venture to Mamaearth. With a digital-first approach at its core, Pravis specializes in fostering organic brand growth through a well-defined playbook that emphasises content creation and community engagement. The firm provides a comprehensive suite of services including Digital-first Marketing Strategy, Brand Consulting, Creative Development, Media Services, as well as Content and Influencer Marketing.

Having built a formidable client roster that includes leading brands such as Volvo, Johnson & Johnson, Aveeno, Danone, Samsung, Voltas Beko, PNB Metlife, Philips, and Canara HSBC, Pravis has established itself as a leader in leveraging digital strategies to enhance brand visibility and engagement. Further expanding its innovative offerings, Pravis has invested in StreamO, a tech platform designed to scale brand interactions within the gaming community, facilitating unique brand experiences directly within gamer hangouts.

The leadership team at Pravis includes alumni from top institutions such as IIT and IIM, and professionals with experience at major firms like Unilever, Pepsi, Disney, JWT, and BBDO. As pioneers in digital marketing, Pravis continues to drive brand success by marrying cutting-edge technology with strategic content and community-focused initiatives, setting new standards in the industry.

Pravis is looking for promising candidates to fulfil its rapidly expanding business. Other than possessing the necessary skills for the role, we would love to meet you if you have done any of the following:

- Taken a real ‘risk’ beyond playing cards at Diwali.
- Followed a passion … even if it means pursuing your partner/spouse.
- Done something you really believed in, especially when no one else did.
- Faced adversity and bounced back from it.
- Travelled extensively beyond home and work.
- Played a sport, other than in office.

Key Responsibilities:

- As a Brand Solutions Executive, you will need to have thorough knowledge of the plan in hand for accounts under your purview and will be responsible for interacting with clients, understanding briefs, campaign planning and management, monthly evaluation, and discussing solutions to enhance the brand's position.
- Strategizing on monthly digital marketing plans to meet brand objectives basis the client brief, setting timelines for projects basis the brand priorities, and managing client expectations by keeping them informed on various activities.
- Timely reporting of the brand performance to the client as per the pre-decided scope, identifying learnings and implementing suggestions to the strategy basis of the report.
- Analyzing data, drawing insights, and making data-driven recommendations.
- Collaborate with cross-functional teams such as creative, content, and technical teams to develop and execute digital marketing campaigns. Ensure effective communication and coordination among team members.
- Identifying opportunities to upsell additional digital marketing services to existing clients.
- Staying updated with the latest trends, tools, and best practices in digital marketing.
- Sharing knowledge and insights with clients and internal teams to drive continuous improvement.

Skills Required:

- Strong communication and prioritization skills
- Attention to detail, problem solving skills and an analytical bent of mind
- Familiarity with Google Analytics or other marketing analytics platforms is not necessary but will be useful

Prior Experience: Not more than 3 years

Qualification: Graduate from a premier institute. An academic background in Communication or Marketing is preferred but not essential

Location: Gurgaon
