PROPAGANDA

Brand Strategist

Profile

Propaganda is a creatively led company. Every individual in the company works towards the common goal of making high quality work. As a Brand Strategist, you will be play a pivotal role in shaping the identity and positioning of top brands. You will develop comprehensive strategies that align with our clients' objectives and resonate with their target audience. You will work with some of the best creatives in India, and the world, and will have the freedom to shape and run projects keeping the best interests of the work in mind.

Responsibilities

-Strategic Planning: Develop innovative brand strategies that differentiate our clients in the marketplace and drive brand growth. This includes conducting market research, competitor analysis, and audience segmentation to identify opportunities and insights.

-Brand Positioning: Define and articulate clear brand positioning statements that effectively communicate our clients' unique value propositions. Collaborate with the creative team to ensure brand consistency across all touch points.

-Campaign Development: Conceptualise and develop integrated campaigns that bring our clients' brand stories to life across various channels, including digital, social, print, and experiential.

Requirements

- Strategic Thinker: Strong analytical and strategic thinking skills, with the ability to translate insights into actionable strategies that drive business results.
- Creative Vision: A passion for creativity and storytelling, with an eye for design and aesthetics. Work effectively with our team to bring brand visions to life.
- Communication Skills: Excellent verbal and written communication skills, with the ability to articulate complex ideas and concepts in a clear and concise manner.
- Adaptability: Ability to thrive in a fast-paced, dynamic environment and manage multiple projects simultaneously. Flexibility to adapt to changing priorities and client needs.
