# JOB DESCRIPTION: ASSOCIATE MARKETING MANAGER

## About Qurist

At Qurist, we are leading a wellness revolution by creating the purest and safest medical cannabis products. Our goal is to break down the longstanding stigma surrounding cannabis, and we strongly advocate for accessibility to our products for those who could benefit from them the most. We truly believe in the transformative power of medical cannabis and are committed to providing a pathway to holistic well-being, one that is rooted in purity, safety, and a deep understanding of its potential.

## About the role

As an Associate Marketing Manager within our Marketing Team, you'll embark on an epic quest to shape our brand's digital realm, crafting engaging content, mastering performance ads, and conjuring up strategies to drive brand awareness.

The roles and responsibilities will be as follows:

1. Develop and execute social media marketing strategies to spread our brand's influence far and wide.
2. Create compelling and creative content for social media channels, and monitor social media trends, insights, and analytics to optimize content performance and drive continuous improvement.
3. Manage and optimize performance advertising campaigns on platforms such as Facebook Ads Manager, Google Ads, and other relevant channels.
4. Cultivate relationships with influencers and oversee brand collaborations to amplify our message. Stay up-to-date with industry best practices, emerging trends, and new technologies in social media marketing and digital advertising.
5. Navigate the ever-changing landscape of social media metrics, charting your journey with insightful reports.
6. Collaborate with fellow adventurers from design, content, and product teams to forge powerful alliances.

**What are we looking for?**

1. Bachelor's or Master's degree in Marketing, Communications, Business, or a related field.
2. 1-2 years of prior experience in social media marketing, content creation, and digital advertising is good to have, but not a mandatory requirement.
3. A knack for creativity with the ability to bring ideas to life through enchanting content.
4. Excellent written and verbal communication skills with a keen eye for detail.
5. Analytical mindset with the ability to interpret data and draw actionable insights.
6. Ability to work effectively in a fast-paced environment and manage multiple projects simultaneously.

**Selection Process**

- Screening Stage: Our hiring team will review applications and select candidates whose experience and skills align with the role.
- Interview Rounds: Shortlisted candidates will participate in one or two virtual interview rounds, discussing the role fitment, company culture, past experience and any additional questions they may have.
- Behavioral Assessment: Candidates may be asked to complete a behavioral assessment to evaluate problem solving, team management, and communication skills.
- Final Offer and Selection: If selected, we'll extend a formal offer to join our team, followed by salary discussions.
