Job Description

Job: Key Accounts Manager (Brand)

Job Type: Full-Time

Location: Ahmedabad, Gujarat

Designation: Manager- Business Development

About the Role:

In this role, you will be facilitating the function of Business Development and aiding in specific strides of sustenance, growth, and expansion. You will be required to identify potential high-end brands or premium service providers to partner with Smytten and build a pipeline of opportunities based on existing/new contacts. You will also be responsible for structuring the right proposals including commercials, business targets, requirements, incentive structure, and legal and operational implications for every partnership deal. You will also lead the implementation of various initiatives cross-functionally (marketing, category management, engineering) to identify roadblocks and work on strategic client development efforts.

Roles & Responsibilities

● Be the key Point of Contact (POC) for a selected set of brands and plan their roadmap on Smytten to achieve specific targets & ensure execution
● Manage complete promotion planning and execution
● Work closely with cross-functional teams within Smytten to grow partnerships. Track Key Performance Indicators (KPI) agreed upon with the brand and study the impact of the same on sales
● Represent the company at industry events, which will include any kind of activation, consumer engagement, partner interaction, speaker sessions, etc.
● Research new brands/categories that can be on-boarded

1410, Block -A Navratna Corporate Park, Ashok Vatika, Ahmedabad, Gujarat, 380058

Drop your CV to: careers@smytten.com

Skills

● Should have strong analytical and problem-solving skills

● Should be a self-starter, with ‘out of the box’ and strategic thinking ability. Excellent written/verbal communication and presentation skills

● Good interpersonal skills and a good team player

● Should be able to juggle between multiple work streams and lots of ambiguity

● Deliver results with minimal supervision

● Proficiency in Microsoft Excel and Mental Mathematics

What you can expect:

● Exposure to a platform that welcomes and appreciates your creativity and hard work.

Education Qualifications

● Master in Business Administration (MBA) Experience

● Previous experience in e-commerce/sale/marketing/business development in the luxury, hospitality, or FMCG industry would be a plus

Compensation

● As per industry standards (competitive).
