Role: Sales Excellence (Non-Trade/Institutional Sales)

Opportunity: Are you a driven and ambitious undergraduate student with a passion for the core sector industry? Do you thrive in challenging environments and enjoy working collaboratively in teams? If so, then this Sales Excellence role in Shree Cement's Non-Trade/Institutional Sales division could be the perfect opportunity to kickstart your career.

About Shree Cement: Shree Cement is a leading manufacturer of building materials, including cement, ready-mix concrete, and AAC Blocks (Autoclaved Aerated Concrete Blocks). It's the 3rd largest cement manufacturer in India with a Market Capitalisation of ~1 lakh crores. With a commitment to sustainability and innovation, Shree Cement is at the forefront of the industry, providing high-quality products and solutions to customers across India.

The Role: We are seeking highly motivated and ambitious undergraduate students to join our team. You will undergo comprehensive training and development to prepare you for a successful career in sales, with a focus on the non-trade/institutional market, sales excellence, analysis, pricing, using AI enabled tools for sales prediction and opportunity gap analysis. Your responsibilities will include:

- Customer Engagement: Assist in identifying and engaging with potential non-trade/institutional customers, such as government agencies, infrastructure projects, and institutional buyers.

- Market Research and Analysis: Contribute to market research efforts to understand customer needs, industry trends, and identify new business opportunities.

- Sales Support: Prepare sales materials, presentations, and proposals to effectively communicate the value proposition of Shree Cement's products and solutions.

- Cross-Functional Collaboration: Work closely with cross-functional teams, including marketing, operations, and technical support, to gain exposure to various aspects of the business.

- Data Analysis: Assist in analyzing sales data, market trends, and customer feedback to generate insights and contribute to data-driven decision-making processes. You will be expected to use AI tools including generative AI for all of the above.

Your Impact:

- You will gain invaluable hands-on experience in the sales and marketing of building materials, preparing you for a successful career in the core sector industry.

- Your contributions will support the growth of Shree Cement's Non-Trade/Institutional Sales division, while also developing your professional skills and expertise.

- Through cross-functional collaboration, you will gain a comprehensive understanding of the business, from operations to customer service, positioning you for future leadership roles.

- Your analytical mindset and data-driven approach will contribute to the company's decision-making processes, shaping its future success.

You are a perfect fit if you:

- Are a recent or soon-to-be undergraduate with a degree in Marketing, Engineering, or a related field, with a strong academic record.

- Possess excellent communication, interpersonal, and presentation skills, with the ability to effectively engage with diverse stakeholders.

- Are an analytical thinker with strong problem-solving capabilities and a data-driven approach to decision-making.

- Thrive in a fast-paced and dynamic environment, with a passion for learning and achieving ambitious goals.
