## Analyst at The Blended Finance Company

**Location: Mumbai/New Delhi**

**About Us:**

The Blended Finance Company (TBFC) is a full-service organization for transaction management to scale the blended finance market in India. TBFC specializes in designing and executing financial structures and programs that enable investors to deploy significant capital while generating sustainable returns, and donors to maximize their catalytic leverage. We are a rapidly growing organization that houses development sector expertise, blended finance transaction design skills, funds syndication abilities, and program management teams.

**Position Overview:**

We are seeking a dynamic and motivated individual to join our team as an Analyst. The ideal candidate will have a strong background in research, data analysis, and a passion for sustainable finance and developmental impact. They will play a crucial role in synthesizing data, conducting research, and bringing critical insights creating high-quality presentations to support blended finance deal design, structuring and management.

**What is in it for you?**

We are a growing and ambitious organization. At TBFC, you'll get to:

- Tailor your career to maximize your learning and growth.
- Create long-term impact in sustainable finance and developmental economics, covering sectors such as climate, education, livelihoods, agriculture etc.
- Gain exposure to global and domestic philanthropies, financial institutions and funds.
- Contribute to building an organization from the ground up.
- Work alongside passionate individuals dedicated to making a difference.

**Key Responsibilities:**

- Conduct thorough research on various topics relevant to blended finance such as climate and sustainable finance, education, financial inclusion and other impact investment opportunities.
- Drive data analysis, support with market landscaping, analyze market trends, conduct primary interviews to gather first-hand intelligence and financial data and performance metrics to evaluate the potential impact and financial viability of investment projects.

- Synthesize complex information into clear and concise presentations, including PowerPoint decks, reports, and executive summaries.
- Prepare relevant proposals during the conceptualization stage to present to deal ideas or investment thesis to potential investors and stakeholders.
- Maintain a strong attention to detail in all aspects of data analysis, ensuring accuracy and reliability of findings.
- Stay updated on emerging trends and best practices in impact finance and developmental economics.

**Soft Skills:**

- Strong communication skills, with the ability to articulate complex concepts in a clear and concise manner both orally and in writing.
- Strong sense of ownership and accountability, with a proactive approach to problem-solving and project management.
- Agility and adaptability to navigate changing priorities and handle multiple tasks simultaneously.
- Ability to quickly grasp and understand new topics in impact finance and developmental economics.
- Sense of humor and go-getter attitude, fostering a collaborative and engaging work environment.

**Qualifications:**

- Bachelor's degree in Economics, Finance, Business Administration, or related field. Advanced degree holders are also welcome to apply.
- 0-2 years of experience in research, financial analysis, or consulting, preferably with exposure to sustainable finance or impact investing.
- Experience with financial modeling and/or proficiency in data analysis tools and software (e.g., Excel, Python, R).
- Demonstrated experience in creating engaging presentations using PowerPoint or similar applications.
- Familiarity with impact investing, blended finance, environmental, social, and governance (ESG) criteria and impact measurement frameworks is a plus.

**How to Apply:**

If you are passionate about making a positive impact through finance and meet the qualifications outlined above, we would love to hear from you. Please fill the google form and provide us with the requested details in it: https://forms.gle/AfcMU7g2NaJrDKSE7

*TBFC is an equal opportunity employer and is committed to diversity and inclusion in the workplace. We encourage individuals from all backgrounds to apply.*
