Why Timshel?

We have sensitised 100+ Social Purpose Organizations (SPOs), executed 26+ unique interventions, and built 20+ organisations. Our impact extends to coaching 100+ women leaders.

Our 'Why': Changing how people perceive, experience, and respond to the world.

Our 'How': Helping individuals become their 'best' selves.

Our 'What': Nudging mindsets for liberation and empowerment.

Position Summary

Timshel is looking to hire a Program Manager who will play a pivotal role in planning and executing out key projects and open enrollment programs within our organisation. This individual will be responsible for coordinating internally and eternally, with clients and candidates with multiple programs and projects, ensuring successful project delivery, and maintaining a focus on strategic goals and objectives.

We are looking for a committed and collaborative individual, who will work in a highly dynamic environment with a closely-knit, highly motivated and entrepreneurial team. Hence, it is an amazing opportunity for individuals who are passionate about working in the social impact space.

Responsibilities

- Develop and maintain comprehensive program plans, outlining project timelines, milestones, and resource allocation.
- Communicate effectively with candidates and clients to ensure clarity and alignment on programs' goals and objectives.
- Collaborate with finance teams to ensure invoicing and collections timely for successful program execution.
- Conduct regular reviews and audits to maintain a high level of quality for various programs.
- Collaborate with the Outreach Manager for program alignments and candidate sourcing.
- Develop effective communication channels for program participants.
- Adapt to changing program requirements and address issues proactively.

Required Qualifications, Experiences and Expectations

- Bachelor's degree in business administration, project management, or a related field
- Previous experience in a similar role
- Ability to communicate, present and influence all levels of the organisation, including executive and C-level
- Excellent listening, negotiation and presentation skills
- Excellent verbal and written communication skills
- Strong project management skills managing complex, multifaceted projects resulting in measurable successes
