Profile: Copywriter
Experience: Fresher or 6 months' internship
Location: Mumbai

About Turtlemint: Turtlemint is one of India's largest Fintech companies. Launched in 2015, Turtlemint works on educating customers and helping them research across all segments of insurance. It also has its own network of advisors who are empowered with all necessary training, tools and license to sell insurance and other financial products like Mutual Funds, credit cards, etc.

Responsibilities:

- **Content Creation:** Develop engaging and concise copy for a variety of online and offline channels, including but not limited to websites, social media, email campaigns, brochures, and advertisements.
  Multi-Channel Adaptability: Tailor content to suit different platforms and mediums, ensuring consistency in messaging while adapting to the unique characteristics of each channel.
- **Creativity and Innovation:** Bring fresh and innovative ideas to the table for content creation, staying ahead of the curve in the evolving landscape of content marketing.
- **Editing and Proofreading:** Review and edit content to ensure accuracy, clarity, and adherence to brand guidelines.
- **Communication and Collaboration:** Collaborate with marketing, design, and other departments to gather information and insights necessary for creating compelling content and to integrate visual elements seamlessly with written content.

Qualifications:

- Proven experience as a content writer or copywriter for ads or marketing campaigns
- Demonstrable experience in creating compelling and effective ad and range of short form content across various platforms (e.g., social media, web, mobile, video)
- Excellent creative writing, editing, and proofreading skills
- Familiarity with SEO principles and content optimization.
- Exceptional creativity, problem-solving, and critical-thinking skills
- Ability to work under tight deadlines with attention to detail
- Bachelor's degree or higher in Marketing, Communications, or a related field
