JOB DESCRIPTION

1. Research Project Management:
   - Lead the design, development, and execution of research projects related to education and community development.
   - Manage all aspects of research projects, including planning, data collection, analysis, and reporting.
   - Ensure research projects are conducted ethically and in accordance with established research protocols.
2. Data Collection and Analysis:
   - Develop and implement data collection methodologies, including surveys, interviews, and observations.
   - Analyze quantitative and qualitative data, using statistical and qualitative analysis tools, to derive meaningful insights and conclusions.
   - Interpret research findings and translate them into actionable recommendations for educational programs and policies.
3. Collaboration and Stakeholder Engagement:
   - Collaborate with internal teams, external partners, and educational institutions to conduct collaborative research projects.
   - Engage with stakeholders, including educators, policymakers, and community members, to gather insights and validate research findings.
4. Report Writing and Presentation:
   - Prepare comprehensive research reports outlining methodologies, findings, conclusions, and recommendations.
   - Present research findings to internal and external audiences through reports, presentations, and academic publications.
5. Innovation and Continuous Learning:
   - Stay updated with the latest research methodologies, educational trends, and innovations.
   - Contribute to the development of innovative approaches to research and community engagement.
6. Grant Writing and Funding Support:
   - Assist in writing grant proposals and securing funding for research projects.
   - Manage research budgets and resources efficiently.

ABOUT VIDHYA VIDHAI

Vidhya Vidhai Foundation is a non-profit organization that is committed to improving education in India, with a focus on ensuring child-centric schools. The foundation is composed of a young and passionate team that strongly believes in the power of education to transform lives.
The foundation takes a systemic approach to improve education by equipping school leaders with the necessary tools and knowledge to drive improvements in their schools. Our partnerships with various organizations and government bodies have enabled us to impact schools across India.
